WEST BROMPTON
TUBE STATION

THE TROUBADOUR CAFÉ - TRAVELLING BY TUBE

We are 2 minutes walk from West Brompton tube (which is on the Wimbledon branch of the District Line and is also an overground station) or 4 minutes from Earls Court Tube, which is very easy to get to on either the District or Piccadilly.

Earl's Court tube has two exits. If you come out onto Warwick Road, Earl's Court Exhibition centre will be towering up in front of you. You need to turn left, then after 400 yards or so left again at the traffic lights into the Old Brompton Road. The Troubadour will be on your right after 100 yards. If you come out onto the Earl's Court Road, you'll see a busy shopping street. Turn right, then after 500 yards right into the Old Brompton Road. The Troubadour will be on your left just after you pass the junction with Coleherne Road.
